Information about the Guest Mobility Ticket

The Guest Mobility Ticket is provided to all guests staying at Zellhof for the duration of their stay. (Status: June 2026)

Please note that the ticket can only be issued after your arrival and registration at Zellhof. Unfortunately, it cannot be provided before your arrival.

As a youth campsite and international Scout campsite, Zellhof is exempt from the local tourism tax. This means that our guests do not have to pay the additional local tax that is normally charged by many accommodation providers.

In order to maintain this benefit for our guests and to keep the associated administrative workload manageable, Guest Mobility Tickets are issued exclusively during the check-in process on site. Therefore, individual tickets cannot be issued or sent prior to arrival.

We kindly ask for your understanding and request that you plan your journey accordingly.

After completing your registration, you will receive your Guest Mobility Ticket directly at Zellhof and can use it for the remainder of your stay.

For groups of more than 10 people, a reservation is mandatory according to the transport operators' regulations. This reservation must be requested 7 working days in advance. Confirmation will be provided by the respective transport operator. Reservation form: <https://salzburg-verkehr.at/guest-mobility-gruppenanmeldung/> (unfortunately only in german)

The transport of groups without a reservation is at the discretion of the bus driver. In such cases, the group may need to split up or wait for a later connection.
